Fake Websites offering Indian e-Visa

It has been brought to our notice that many third-party websites offering Indian e-Visa to foreign nationals have cropped up. Such fake websites not only misguide the applicants but, in some cases, dupe them of their money.

The list of some of these fake websites is as follows:

<https://www.evisatoindia.org.in>

<https://www.evisaindia.com>

<https://www.indianevisaservice.org>

<https://www.indiaimmigration.org>

<https://www.evisaindia.org.in>

<https://www.indiaonlinevisas.org.in>

<https://www.indiaevisa.org>

Many of these websites are located outside India. While the matter has been taken up for appropriate action against the companies concerned, all visa applicants are **advised to** exercise due care and caution while applying for Indian e-Visa. The e-Visa facility to India is available on Government of India website: **www.indianvisaonline.gov.in**.
