Madam/ Sir,

**Subject: Seeking support in circulation of Notice Inviting Tender (NIT) floated by BHEL for technology tie-up with Qualified Waste to Energy Plant Equipment manufacturer.**

Bharat Heavy Electricals Limited (BHEL) is a leading state owned company, wherein Government of India holds 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of Indian economy viz. energy, transportation, heavy engineering industry, defence, renewable and non-conventional energy.

NTPC (A Government of India owned power generation Company) intends to install a Waste to Energy Plant having waste disposal capacity of 2x350 tons per day. BHEL intends to participate as a "Indian EPC/R&M Company" in the above tender. BHEL is seeking a Qualified Waste to Energy Plant Equipment Manufacturer (QWEPM) as associate/ collaborator to have pre-bid tie up. In this regard, BHEL has floated a Tender NIT\_48274 seeking response from prospective collaborators, who are willing to be associated with BHEL.

We have uploaded the NIT at BHEL's website and the same is available at-

<http://www.bhel.com/index.php/tender?tenid=48274>

We solicit your support to advise commercial section of your Embassy to publicise our NIT among technology owning companies engaged in this business.

Thanking you,

Yours sincerely,

(Narendra Kumar)
